DATE: 2/25/2014

SUBJECT: Request to approve the FY 2013-14 Fish & Game project listing as recommended by the Fish and Games Fines Committee. All Districts.

## **RECOMMENDATION**

It is recommended that the Board approve the FY 2013-14 Fish & Game project listing as recommended by the Fish and Game Fines Committee as described in this report.

## **DISCUSSION**

Each year, as part of the budget process, the Board approves a lump sum budget for the Fish and Game Fines Committee. The Committee then meets to develop a detailed listing of recommended projects for the coming fiscal year. The listing is then submitted to the Board for approval. Consistent with this approach, the Fish and Games Fines Committee has met and developed a listing of projects for fiscal year 2013-14, totaling \$15,000 (including the Committee's operating expenses and any yet-to-be-identified miscellaneous projects). The Board is being asked to approve the Committee's FY 2013-14 project listing detailed below.

### **Education**

**\$6,000.00**

- \$500 - **Junior Fish Day (Lopez Lake Area)**: These monies will be used to help defray the costs of a recreational program to get kids off the streets and in the streams. This program is sponsored by the Sportsman Association.
- \$500 - **Sportsman Club Range**: These monies will be used to improve the training room at the San Luis Obispo Sportsman Club. Hunter safety courses for the general public are offered in the training room.
- \$500 - **Hunter Safety**: These monies will be used to support hunter safety courses and equipment for the general public. Successful completion of a hunter safety course is a prerequisite to obtaining a hunting license.
- \$2000 - **Junior Pheasant Hunt** - These monies will be used to help defray the costs of providing the Junior Pheasant Hunt. This is the most popular event sponsored by the Fines committee and provides the youth of the County with hands-on hunter safety training including education on tracking and game identification. The event is offered free-of-charge to the participants.
- \$500 - **Pacific Wildlife Care**: These monies will be used for various projects to rehabilitate birds and animals.
- \$250 - **Scout Project**: These monies will be used to provide support for a cooperative effort with the Boy Scouts of America to present information at schools and other locations about the importance of conservation.

- \$250 – **Learning Among the Oaks**: These monies will be used to help defray the costs of a wildlife camera carnivore survey in collaboration with Cal Poly University.
- \$1500 - **Miscellaneous**: These monies will be used to fund educational projects that arise during the year.

#### **Habitat Improvements**

**\$3,000.00**

- \$500 - **Wood Duck**: These monies will be used to build and place nesting boxes around the County in an effort to increase the wood duck population.

- \$1000 – **Chiminese Ranch**: These monies will be used to fund projects at the 40,000 acre Chiminese Ranch, owned by the State Department of Fish and Game, as the need arises to maintain the property for continued educational outreach.
- \$500 - **Miscellaneous**: These monies will be used to fund habitat improvement projects that arise during the year.

- \$2482 - Operating Expenses: These monies will be used to pay the costs associated with telephone usage, committee meetings, and countywide overhead.

#### **OTHER AGENCY INVOLVEMENT/IMPACT**

The Fish and Game Fines Committee developed the recommendations contained in this report.

#### **FINANCIAL CONSIDERATIONS**

The 2013-14 Budget contains the funding necessary to support the Committee's recommended list of projects. It is important to note that the funding for the Fines Committee is derived from fish and game violations. No General Fund monies are used.

#### **RESULTS**

Approval of these recommendations will provide the Fish & Game Fines Committee with the authority to expend the \$15,000 on projects as described above that benefit the residents of this County.
